

Nikkei: Long term view: 'Rising Sun' rebuffed at 18,000 Resistance?

NY - Nikkei 225 - Monthly Candlestick Chart

Benefits of 'Abenomics', higher Nikkei & lower ¥en starting to wane? Bears' case:

- Commercials switch back to short at December roll-over. Small Specs now largest long!
- Possible 'Type 1 Bearish Divergence': even 'Stochs' highs vs higher price peaks.
