

Rice: After nearly 50% price gains in just 5 months, are values posed to back off?

ZR - Rough Rice - Weekly Candlestick Chart

- 2014 downside gap not filled: gap failure?
- Values rise successfully to test Retracement Zone objective (62%) of the 2014-15 downtrend.
- Commercials abandon their record long position, reversing to near record short stance!
- 'Stochs' turning down?
