

TSE 60: Daily: Follow-up: Bears' case in jeopardy?

Has high oil prices and most recent metals' surge hijacked this resource-rich index downturn?

- Values close above initial Resistance at 18 day MA & 2x1 Gann downtrend @ 722.50.
- Next Resistance at Gann 4x1 downtrend, then the 8x1 line.
- 'Stochs' turn up, while MACD is on the verge of turning up.
