

**TSE 60:**

Market 'Top'?

TP - S&P TSX 60 - Weekly Candlestick Chart

- Note recent break-out above Resistance @ 742, provoking another 40 point rally, 'Blow-off Top'
- Technicals turning down.
- Traditionally, TSE 60 seen as a 'resource' index had been supported by strong Bank sector, which, too, has finally succumbed to selling pressures.
