

Dow Jones UBS Commodity Index: Prices coiling for break-out: up or down?

DJ UBS COMM INDEX NEAREST FUTURES .. weekly OHLC plot

- Commodities retrace '08 – '09 recession within Fibonacci zone; but is new downside commencing?
- Commercials amass record short position
- Technicals turn down.
- Will 40 day MA (200 day MA) provide adequate Resistance?
- Meanwhile, 4x1 Gann Support uptrend since 2009, appears vulnerable.
